

Event: DTE Energy Educational Event
Speakers: Scott Baker and Bill Decker
Date: June 10, 2016
Location: DTE Energy in Ann Arbor, MI
We want to thank DTE Energy
For their generosity for sponsoring this fantastic event!

The Michigan Lean Consortium (MLC) partnered with DTE Energy for an educational event on June 10, 2016 in Ann Arbor.

Training title: Aspiration through Perspiration: How meaningful problems are defined and solved

In this MLC educational event, participants reflected on improvement approach and understood how to engage their team in "seeing & solving" problems. They were exposed to tried-and-true lean strategies, methods and tools that have worked at DTE Energy and beyond, and challenged to leverage these practices to reach their career and organizational goals.

Approximately 35 people attended this event in Ann Arbor.

The mission of the MLC is to offer a diverse network of knowledgeable lean professionals who come together to share innovative practices. The organization aims to create a lean culture in Michigan to ensure sustainable competitive advantage, which could translate into healthier businesses that offer more job opportunities leading to economic growth in the state.
