

**Event:** How to Assess the Maturity of your Lean Organization

**Speakers:** Debra Levantrosser

**Date:** October 6, 2015

**Location:** Michigan Technological University in Houghton, MI

**We want to thank Michigan Tech**

**For their generosity for sponsoring this fantastic event!**

The Michigan Lean Consortium (MLC) partnered with Michigan Tech for an event called "How to Assess the Maturity of your Lean Organization" with Debra Levantrosser on October 6, 2015.

Have you ever wanted to learn about how to perform a 'Lean Assessment'? Typically explained as a small group of people spending 2-5 days with an organization to assess its lean status, lean assessments come in many varieties. Participants learned how to conduct one, how to lead one and how to host one. Roles and responsibilities of the leader, the team and the host were also reviewed.

Approximately 15 people attended this event in Houghton.

The mission of the MLC is to offer a diverse network of knowledgeable lean professionals who come together to share innovative practices. The organization aims to create a lean culture in Michigan to ensure sustainable competitive advantage, which could translate into healthier businesses that offer more job opportunities leading to economic growth in the state.
