We want to thank Herman Miller
For their generosity for sponsoring this fantastic event!

The Michigan Lean Consortium (MLC) partnered with Herman Miller for an event called “Herman Miller Healthcare Lean Learning” with Roger Call and Kimberly Nelson Montague on October 23, 2015.

Herman Miller Performance System, Our Lean Journey and Gemba Walk, This will include a presentation on how Herman Miller became involved with the Toyota Production System Support Center almost 20 years ago in what has been a continuing and exclusive relationship to mentor us on the application of the Toyota Production System for Herman Miller. A gemba walk to one of our model lines will be included.

Approximately 25 people attended this event in Houghton.

The mission of the MLC is to offer a diverse network of knowledgeable lean professionals who come together to share innovative practices. The organization aims to create a lean culture in Michigan to ensure sustainable competitive advantage, which could translate into healthier businesses that offer more job opportunities leading to economic growth in the state.
